

For more than 25 years, Jean-Luc Aegerter and his son Paul, who joined him in the adventure in 2001, have been making fine, balanced Burgundy wines. With their love of their craft and their expertise their goal is to produce wines that respect their terroir to the full. From regional appellations to grand cru vintages, Maison Aegerter offers nearly 40 appellations from 50 hectares of vineyards.

Les Exceptionnels

«Whoever knows how to taste wine never again drinks it, but discovers its secrets». Salvador Dalí

It is strict and careful work with the vines, exemplary, meticulous ageing of the wines and remarkable care and know-how that mean that unique terroirs can produce «les exceptionnels», exceptional wines. This range is a selection of Grands Crus with respect for their unique value.

CORTON VERGENNES

A few words on the appellation...

A vineyard of the Côte de Beaune, Corton Grands Crus offer a wide range of nuances. The «Les Vergennes» producing area is located in Ladoix-Serrigny and mainly produces red wines.

100% Pinot Noir

After being hand-harvested, the grapes are put into stainless steel tanks for pre-fermentation maceration for 2 to 4 days. Then, alcoholic fermentation is begun using nothing but natural starters. Malolactic fermentation and ageing take place in oak barrels for 8 to 12 months.

This Corton displays an intense ruby colour and has a broad bouquet of fruit accents (blueberry, redcurrant and cherry) moving towards pepper, leather and liquorice with age. On the palate, it is powerful and structured, with great sustain and body. It is firm, frank and fleshy.

Strong, washed-rind and blue cheeses will be able to tame its complex structure. Strong meat such as roast or grilled beef joints and all roast or braised game or, of course, with a sauce, will also be delectable partners for this exceptional wine.

Serve at a temperature of 14 to 16° C. This wonderful wine needs time to develop, between 4 and 12 years.
